COCOA

The teachers met at Mr. and Mrs. A. Lemmert's Tuesday night. There was a good attendance and the lesson was well discussed, after which refreshments were served.

The Sunday school still holds its own in spite of the heat and mosquitoes. There were fifty-six present Sunday. Supt. Lemmert is a hustler in Sunday school work.

Messrs. Andress and Myers, of DeLand, are stopping awhile in town, coming down via launch. Mr. Andress was here several winters ago and he finds many improvements since his last visit here.

The song service at the M. E. church Sunday night was well attended. The subject was God's Love, and the talk by Mr. Lemmert on the subject was well rendered and the singing was good and enjoyed by everyone present.

Moving the county seat is the topic of the day. Should Cocoa be fortunate enough to gain the honor of having the county seat it will mean a great deal for the town and surrounding country. But it doesn't look very neighborly to pull down one town to build up another.

Mr. Heaton received a twenty-five pound watermelon last week from Rev. McCord. Those Georgia melons are something fine. Mr. Heaton divided with his friends, which everyone enjoyed. The seeds were saved and will be planted and will be called the McCord melon.

Mr. and Mrs. A. J. Davis are enjoying a visit from their daughter, Mrs. Carrie Briggs and husband, of the Briggs Cottage in Palm Beach. They arrived Saturday accompanied by Miss Mary Davis, whose many friends are delighted to see her smiling face once more.

T. A. Snyder Wants a Divorce

The New York World says: "Thos. A. Snyder, a millionaire Cincinnati catsup manufacturer, has brought suit in the circuit court of Dade county, Florida, for a divorce from his third wife, Effie K. Snyder. The two former wives of the millionaire are dead.

The bill of complaint filed by Snyder's solicitors sets up three different grounds for divorce under the statutes of Florida, viz: Extreme cruelty toward her husband; second, that she has had to be restrained from doing bodily harm to her husband, and the third and most important allegation is that Mrs. Snyder indulges freely in strong drink and upon numerous occasions so much so that she became helpless and the husband has been frequently required to have her taken to institutions for treatment.

A Californian's Luck

"The luckiest day of my life was when I bought a box of Bucklen's Arnica Salve," writes Chas. F. Budahn, of Tracy, California. "Two 25c. boxes cured me of an annoying case of itching piles, which had troubled me for years and that yielded to no other treatment." Sold under guarantee at Banner Drug Store.

For a mild, easy action of the bowels, a single dose of Doan's Regulets is enough. Treatment cures habitual constipation. 25 cents a box. Ask your druggist for them.

Convict's Death Accounted For

A coroner's jury in the case of Ira French, white, a Brevard county prisoner, found "that he came to his death by being physically unable to work and as a result of exposure to the sun and of a series of convulsions." Seems to us the contractor ought to be made to take his place, if a Brevard county jury will do its duty.—Florida Index.

Extension Work to be Resumed

There is a slow but steady increase of activity in all departments of the Florida East Coast railway pertaining to the building of the extension, making ready for a general resumption of the work south of Knights Key in the early fall.

This activity consists mainly in preparing for the reception of new material, taking inventories of that on hand and in every other way necessary getting ready for a renewal of activity.

According to the Miami Metropolis there is some uncertainty whether headquarters will be maintained in Miami or removed to Knights Key when work is resumed, though it is generally believed that the direction of the work will be continued from Miami, as it would require considerable time and much expense to move headquarters to another point, since the yards there are stocked with material, a complete machine shop is in operation, a ship yard built and maintained, and in every other way conditions such that it would not pay or be good policy to change the base of operations.

Valued Same as Gold

B. G. Stewart, a merchant of Cedar View, Miss., says: "I tell my customers when they buy a box of Dr. King's New Life Pills they get the worth of that much gold in weight, if afflicted with constipation, malaria or biliousness." Sold under guarantee at Banner Drug Store. 25c.
